# GENERAL INFORMATION

**TIME:** Saturday, March 14, 1970. Show at 8:30 A.M., Sale at 11:30 A.M.

**LOCATION:** The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa on U.S. 30, and U.S. 218. On paved roads between Cedar Rapids, and the airport.

**LUNCH:** Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerks act only as agents for the consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. We will follow the practice of giving the consignor the opportunity to state a "reserve bid" or have the auctioneer announce "No Sale" on any animals. In case of a "no sale", the seller pays the regular pro rata sale expense, but there will not be any manager's fee. However, if any animals are "by-bid", there will be due the manager's fee. It is our hope this would discourage this practice.
6. A Certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives, or call them night before the sale.
9. Auctioneer: Merrill Anderson, Broadlands, Illinois.
10. Special Representatives: Gene McDonald, of the Shorthorn World; Wade Hauser, Jr., Wallaces Farmer.
11. Sale Manager: Allan A. Johnson, R. 1, Swisher, Iowa 52338. Phone: 848-6603.
12. The sale manager or others may be reached by phone at the Holiday Inn, Cedar Rapids, Phone: 319-365-9441, the night before the sale.
13. Livestock Insurance may be obtained in the American Livestock Insurance Company. Talk to the Sale Manager.
14. Announcements from the Auction Box will take precedence over the printed matter in this catalog. If errors appear in the catalog, they will be corrected and announced from the Auction Box.

JUDGE -  
CHARLES B. LEEMON

Chuck Leemon, Hoopeston, Illinois, will be the judge of our pre-sale show. He was selected as the first Illinois "Polled Shorthorn Breeder of The Year". Last year he was selected as a "Builder of The Breed". We feel extremely fortunate having this well qualified person as our judge.

He was grown out on grass last summer and will not be in high fit. We feel this should insure his future usefulness.

# LOUADA ROTHES KING

The influence of many bulls is probably best measured as their names begin to appear in the generation of pedigrees in an area. This great breeding bull is no exception, as we find him the grandsire of Lots 45, 65, 84, and 85.

NONPAREIL K 57 - A busy young cow that is selling in her working clothes. Sells with a dark roan July bull calf at foot by Rothney Justinian and is safe in calf to our Jr. polled herd sire, He-Lo-Na President for a late June calf. President is a paternal brother of the Champion Shorthorn Carcass Steer at the last Iowa State Fair. He's a long bodied, wide walking, very muscular bull.

Gloster K 55 - One of the nicest daughters of Allwood Pioneer. She sells with as promising Lewisfield Rival August Heifer calf at foot as we've had. Analyze this calf closely. It is very correct and a nice age for the younger classes for a 4-H project. The cow is rebred to Four Dees Command 75th for a July 12 calf. Command 75th weighed 1700 lbs. at two years. We feel this 3 in 1 combination could be our top lot.
